Dear Sir or Madam,

we are glad to offer the following items.

Pos.	#	Product No.	Product Description
------	---	-------------	---------------------

Turnkey Package for 3D Posture Analysis:

1	1	TPL	<p>TEMPLO software: Basic package for video analysis in sports, medicine and biomechanics</p> <p>DATA BASE with options to filter, sort and export personal and trial data</p> <p>RECORDING in unlimited number with any number of (high speed) video cameras (requires additional module)</p> <p>ANALYSIS with tools for qualitative and quantitative movement analysis Video overlay, stroboscope function and automatic marker or pattern tracking</p> <p>REPORTING in digital formats or print outs. PlayerCD for multimedial and interactive transfer of analysis data.</p> <p>EXTENSION with modules for predefined and structured analysis or to integrate with hardware for synchronous recording</p>
2	2	TPL_Cam	<p>TEMPLO software module: Camera extension. Extension of the software by another camera perspective for synchroneous video recording.</p>

Pos.	#	Product No.	Product Description
3	1	TPL_3D	<p>TEMPLO software module: 3D posture analysis: Calculation of 3D angles, distances and rotations of body axes (shoulder, hip, legs) from three synchronously taken perspectives. Numerous protocols for 2D and 3D posture analysis available:</p> <ul style="list-style-type: none"> - Quick check, - Before / after comparison, - Spine measurement, - Spinal Analysis, - Special KIDS protocols with reference values, - Visualization of results by well-arranged report pages. <p>Contains all 2D posture analysis protocols.</p>
4	5,25	TPL_U&S_mod	<p>Update and service contract of TEMPLO including all modules License: Basic price: 200,00 Euro Number of Cameras (100,00 Euro each): 3 Number of Modules (25,00 Euro each): 1 Serverlicense (100,00 Euro): 0 Typ of Contract: continuous with annual fee Annual price: 525,00 € net</p> <p>The U&S contract authorizes to download the current version of TEMPLO and its subsequent releases. CONTEMPLAS GmbH offers comprehensive technical assistance in case of malfunction of software and hardware purchased from CONTEMPLAS GmbH. The U&S-period begins January 1st every year. With the beginning of the new period, we will charge the annual fee. The U&S-contract will tacitly be renewed for one year, if it is not discharged 3 months before the new period begins. Contract conditions can be found at: http://www.contemplas.com/div/update.aspx</p> <p>_____ Date, place, signature</p>

Hardware

Pos.	#	Product No.	Product Description
5	1	PC_2CM	<p>Desktop-PC for max. 2 HDV or 2 high-speed-cameras:</p> <ul style="list-style-type: none"> - Core i5 quad core processor - Motherboard from Gigabyte or ASUS according to interface requirements - min. 8 GB RAM - operating System on SSD - fast hard disk (7200RPM) for video footage - mouse included - monitor and keyboard excluded - Windows 10 professional 64 Bit <p>Please choose:</p> <ul style="list-style-type: none"> - Language operation System: _____ <p>Service:</p> <ul style="list-style-type: none"> - TEMPLO software and all relevant drivers will be installed and tested with the ordered camera configuration - backup (image) of the delivered status will archived <p>CONTEMPLAS reserves the right to modify the listed configuration in order to achieve a better performance.</p>
6	1	SC_24"	<p>24" TFT computer monitor</p> <ul style="list-style-type: none"> - 1920x1080pixel resolution - including all cables
7	1	AC_Terminal	<p>Furniture for motion or posture analysis to integrate computer and video camera</p> <ul style="list-style-type: none"> - size (LxHxW): 63 x 110 x 50 cm - highend surface finish - shelf inside - space for PC (max. tower size: 50x50x19cm) - lockable - recess for cables of monitor, keyboard and mouse - inclusive lighting - exclusive PC, monitor, mouse and keyboard
8	1	AC_Terminal_C	<p>C-frame for 2 cameras, extension of terminal for 3D posture analysis</p> <ul style="list-style-type: none"> - highend surface finish - inclusive lighting - exclusive cameras
9	3	CM_Bl1600-60uc	<p>USB3.0 industry camera, CMOS-Chip, 1/1.8" chip, including tripod mounting frame, power supply by USB</p> <ul style="list-style-type: none"> - 1600x1200@ 60 fps
10	3	LE_4-8_1/2"	<p>Zoom lens for image-field till 1/2" CCD, focal distance 4-8 mm, camera connection C-Mount</p>
11	1	CL_Po2D	<p>Calibration panel (H 210 x B 100 cm) roll up panel, for calibration of 2D posture analysis measurements, dismountable and portable</p>

Pos.	#	Product No.	Product Description
12	1	CL_Po3D	Mobile system for semi-automatic calibration for 3D posture analysis. Volume approx. 0,76m * 0,76m * 2,0m. Marker chains and storage box for chains.
13	1	CS_3D_Pos_bag	Transportation bag for mobile system for semi-automatic calibration for 3D posture analysis
14	1	AC_FM80x80	Floor mat (80 x 80 cm), with print (vinyl 2mm)
15	30	AC_Mar-19	Spherical, retro reflective marker with leather fixation, 19.05 mm diameter
16	1	AC_TP_doub	Set of double adhesive tape for fixation of retroreflective markers, 500 units
17	1	SH_EXCL	freight excluded
Amount			18.404,00 €
VAT 0% of 18.404,00 € net			0,00 €
Total price			18.404,00 €

Delivery terms:

By international freight carrier, DAP

Terms of payment:

100% payment in advance is required.

Bank details:

The quotation is non-binding and remains subject to confirmation. Changes due to misapprehension and/or technical changes are always reserved. The described techniques and prices are confidential and proprietary information of CONTEMPLAS GmbH. Handing out this information to third parties, regardless in what form is strictly prohibited. The goods remain the property of CONTEMPLAS GmbH until payment is made in full. The quotation is based on our General Terms and Conditions, which can be found on www.contemplas.com/impressum.aspx

We hope that the quotation meets your requirements and promise herewith a professional handling of your order.

Best regards

Stefan Klippel

I herewith accept the offer with the valid terms and conditions and order the listed positions above:
